**Invitation:** The International Gastric Cancer Association (IGCA) was established in March, 1995.

The congress is held biannually and the first congress was held in Kyoto, Japan. The 3<sup>rd</sup> IGCC congress was successfully held in Seoul from April 17 to April 30, 1999 with about 1,000 attendees. The IGCC congress has become the most authoritative scientific congress in the field of gastric cancer which around 2,000 participants from 70 countries gather. The 9<sup>th</sup> International Gastric Cancer Congress (IGCC 2011) will be organized with multidisciplinary program for specialists in the field of gastric cancer and its related fields.

In addition, the IGCC 2011 is sponsored by 16 academic societies of related fields. The IGCC 2011 will be more recognized and differentiated congress than any other IGCC congresses held before. We look forward to your interest and active participation.
